

Updated programme for Phase 1 evidence

(1) Commemoration hearings

The Inquiry will commemorate those who lost their lives.

Started 21 May 2018

(7 days)

(2) Oral openings

Opening statements from Counsel to the Inquiry and Counsel to the individual and organisational core participants

Started 4 June 2018

(4 days)

(3) Expert Witness presentations

The Inquiry's Phase 1 experts Prof Nic Daeid, Prof Bisby and Dr Lane will make oral and visual presentations.

Started 18 June 2018

(3 days)

(4) Outbreak of fire

Evidence relevant to the circumstances surrounding the initial outbreak of the fire, including the LFB personnel who attended the flat and the fire in its initial stages.

Started 21 June 2018

(12 days)

(5) Remaining LFB evidence

Firefighters who undertook active firefighting and search and rescue operations, LFB control room staff, and commanders who were responsible for the decisions taken on the night.

Started 10 July 2018

(Through to end of September)

(6) Evidence from the bereaved, survivors and local residents

The Inquiry will hear accounts from the night of the fire.

Start October 2018

(7) Other witness evidence

It may be necessary to allow further hearings to accommodate factual evidence, for example from witnesses to deal with the gas, water and power supplies to Grenfell Tower.

TBC

(8) Expert Witness evidence

The Inquiry will consider the Expert Witness evidence and any further expert reports.

Not before mid-November 2018

(9) Closing Statements

Closing statements from Counsel to the Inquiry and Counsel to the individual and organisational core participants.

December 2018
